

DESERT HOT SPRINGS ANIMAL CARE AND CONTROL

We are currently working hard to open the new Animal Care and Control Center in Desert Hot Springs, but our efforts to reunite these animals with their owners or a caring rescue can't take effect unless we have the support of everyone in our community! Here is our wish list of items that would always be appreciated.

Donated items can be dropped off at:
Desert Hot Springs Animal Care and Control
65810 Hacienda Avenue
